

HELP WANTED

Who: You and/or your homegroup

What: Keep what we have by giving back. Looking for people committed to their recovery to help run the 2010 campout. We are also looking for 2 more groups to add to the ones already sponsoring this event.

When: Thursday October 15th at 6-7pm.

The **2009 Miracles Do Happen campout** was a great success with over 200 addicts in attendance. What that means however is that we need help more now than ever for the next one. We are looking for 2 more groups from our area to co-sponsor this campout. Because this campout keeps getting bigger it's important that we have more addicts participating so there is a higher accountability. The wider the base, the higher the point of freedom. We are also looking for new trusted servants. Rotation of positions is important in our fellowship so please, come out and get involved. One day clean and willingness is all that is required for some positions but we are also actively seeking experienced members who maintain their recovery and are willing to give back to our fellowship. **ALL POSITIONS ARE OUT TO THE FELLOWSHIP. Please show up Thursday October 15th @ 6pm at the First Congregational Church on the corner of Center Street / Main Street in Manchester.**
