SERENITY PRAYER

God, grant me the
serenity

to accept the things I
cannot change,

The courage to change
the things I can,

And the wisdom to know
the difference

"My gratitude speaks . . .
when I care and
when I share with others
the NA way"

JUST FOR TODAY

Tell yourself:

JUST FOR TODAY my
thoughts will be on my
recovery, living and
enjoying life without the
use of drugs.

JUST FOR TODAY I will
have faith in someone in
N.A. who

believes in me and
wants to help me in my
recovery.

JUST FOR TODAY I will
have a program. I will try
to follow it to

the best of my ability.

JUST FOR TODAY
through N.A. I will try to
get a better perspective
on my life.

JUST FOR TODAY I will
be unafraid, my

thoughts will be on my

new associations,

people who are not

using and who have

found a new way of life.

So long as I follow that

way, I have

nothing to fear.

SERENIDAD

PLEGARIA

Dios, concédeme la
serenidad

para aceptar las cosas
que no puedo cambiar,

valor para cambiar las
que puedo,

y sabiduría para

reconocer

la diferencia.

SÓLO POR HOY

Puedes decirte:

SÓLO POR HOY

pensaré en mi
recuperación viviendo y

disfrutando

la vida sin consumir

drogas.

SÓLO POR HOY

confiaré en alguien de

NA que crea en mí y

quiera ayudarme en mi

recuperación.

SÓLO POR HOY tendré
un programa y trataré

de seguirlo lo

mejor que pueda.

SÓLO POR HOY a

través de NA intentaré

tener una mejor

perspectiva

de mi vida.

SÓLO POR HOY no

tendré miedo, pensaré

en mis nuevas

amistades,

gente que no consume y

que ha encontrado un

nuevo

modo de vivir. Mientras

siga este camino no

tengo nada que

temer.

**THE TWELVE STEPS
OF N.A.**

1. We admitted that we
were powerless over our
addiction, that
our lives had become
unmanageable.

2. We came to believe
that a Power greater
than ourselves
could restore us to
sanity.

3. We made a decision
to turn our will and our
lives over to the
care of God as we
understood Him.

4. We made a searching
and fearless moral
inventory of ourselves.

5. We admitted to God,
to ourselves, and to
another human
being the exact nature
of our wrongs.

6. We were entirely ready to have God remove all these defects of character.

7. We humbly asked Him to remove our shortcomings.

8. We made a list of all persons we had harmed, and became willing to make amends to them all.

9. We made direct amends to such people wherever possible, except when to do so would injure them or others.

10. We continued to take personal inventory and when we were wrong promptly admitted it.

11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principals in all our affairs.

THE TWELVE TRADITIONS OF N.A.

1. Our common welfare should come first; personal recovery

depends on N.A. unity.

2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

3. The only requirement for membership is a desire to stop using.

4. Each group should be autonomous except in matters affecting other groups or N.A. as a whole.

5. Each group has but one primary purpose—to carry the message to the addict who still suffers.

6. An N.A. Group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.

7. Every N.A. Group ought to be fully self-supporting, declining outside contributions.

8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.

9. N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.

10. Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.

11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.

12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
